Dear Mr ~~Rambal~~ Vikas

I write to thank the Perdaman Group for the generous sponsorship of the category Dry Media for the 2017 Wheatbelt Art Prize. The category was won by Lee Snibson of Boddington for her piece titled *Kitchen Bounty*.

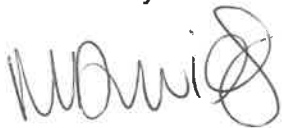

The Wheatbelt Art Prize Award Presentation & Exhibition opening night was an extremely successful evening for the participating artists and all those involved and was attended by approximately 150 people.

The exhibition was extensively advertised in the Avon Valley Advocate, York Community Matters, The Phoenix and all of the local news letters produced in each town of my electorate. It was also promoted on social media prior to and after the event, with all sponsors being acknowledged.

I have also attached a copy of the media release that was send out to all media outlets after the exhibition.

Thank you again for coming on board this year to support this regional art award and I look forward to working with you again in the future.

Yours sincerely
